

DOME LIGHT Mounting Bracket
Model QL-DL-MB
Parts and Installation Instructions

Pipe Size Range:

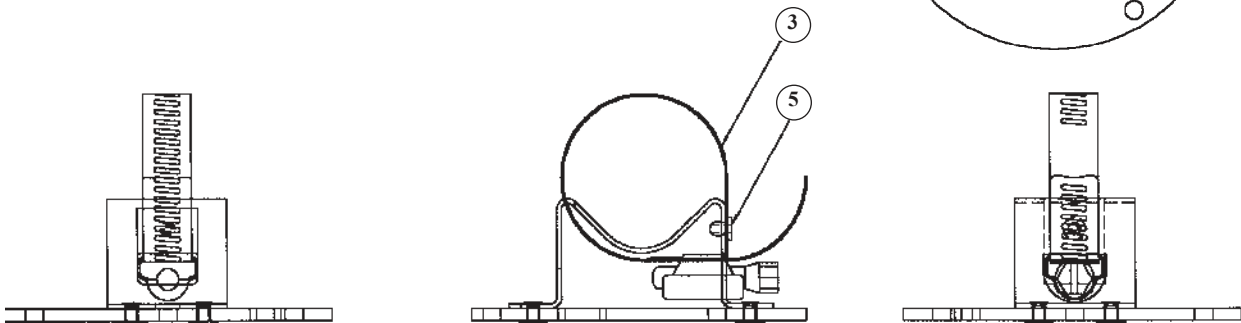

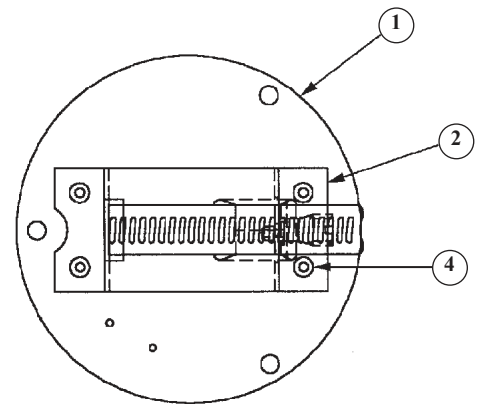

1" to 2-1/4" O.D.
Round Tubing

Mount the popular dome light under the hard or soft top with the dome light mounting bracket and flood the deck with light.

- May be attached to 1" to 2-1/4" O.D. round tubing
- Specify dome light with red lens to prevent night blindness
- Stainless steel clamp ring and special bracket hold the dome light firmly in place
